Egypt, Australia, Belize, Ecuador, England, Europe, Kenya, Asia, Philippines Mexico & China

### Biography

I pride myself on working well as part of a creative team whilst injecting creativity in my product. I strive in not just making things look visually effective but also focusing on continuity, attention to detail and making the brief work, conveying the desired impact on its target market.

I believe when undertaking any project and task you are either making money or saving money. I get excited about design and making customers briefs a reality.
